A Larsen & Toubro Group Company

Redefining Possibilities

Mindtree Investor Presentation & Factsheet for Q3 FY21

Safe Harbor

This presentation may contain forward-looking statements, which involves number of risks and uncertainties that could cause our actual results to differ materially from those in such forward-looking statements.

The conditions caused by the COVID-19 pandemic could decrease customer's technology spending, affecting demand for our services, delaying prospective customers' purchasing decisions, and impacting our ability to provide on-site consulting services; all of which could adversely affect our future revenue, margin and overall financial performance. Our operations may also be negatively affected by a range of external factors related to the COVID-19 pandemic that are not within our control. We do not undertake to update any forward-looking statement that may be made from time to time by us or on our behalf.

Deal wins for the Quarter

We have been chosen to drive the digital transformation journey of a leading global wind turbine manufacturer. As part of this five year deal, Mindtree will simplify, modernize, and transform the entire IT landscape of the client globally, while providing scalability to support the company's growth plans

A World-leading sportswear brand selected Mindtree as a strategic partner for a multi-year engagement to provide application development services to accelerate their journey towards a product led and outcome-oriented organization

Mindtree partnered with a Large global airline, as a strategic technology partner, to enhance consumer experience on mobile digital platforms. We will provide application development and maintenance services to enhance the features of the mobile application along with underlying services layer

Mindtree has been selected by a US based diverse insurance and reinsurance provider to provide end to end IT Infrastructure Management and cloud services, resulting in enhanced efficiency and speed of business standardization
